Report of Principal and School Improvement Council

Crowders Creek Elementary School strives to be a child-centered school focused on excellence. We believe the purpose of school is to design meaningful experiences where students acquire knowledge and skills to successfully explore the challenges of today and tomorrow. In our PK-5 elementary school of 1000 students, we encourage students daily to seek opportunities to learn. Integration across the curriculum areas allows students to experience real-world relevance in the classroom. School activities such as chorus, TV news crew, Lego Robotics club, media center helpers, and safety patrol provide students with opportunities to use knowledge meaningfully.

We believe the responsibility of leaders is to provide the time, resources, and collaborative environment that promote continuous improvement. Our school is the recipient of ten consecutive Palmetto Gold Awards. Instruction is differentiated to meet varying student needs and abilities. Common planning time is provided to teachers in order to plan engaging lessons and develop common assessments. School funds and PTA funds are used to provide all necessary materials so that teachers have the necessary tools to target each child's academic needs. Technology upgrades include the purchase of Apple iPads and document cameras.

We believe the focus of educators is to design engaging, meaningful work for all students and ensure that they learn to their highest potential. Teachers plan engaging lessons to challenge students. Faculty is encouraged to attend professional development opportunities. Teachers are represented on district subject area vertical articulation committees. Staff members are recognized for good attendance and professional milestones. Students are allowed opportunities to demonstrate knowledge gained. Academic portfolios record student growth throughout their elementary career. Students show their learning to parents and the community through a family math night, a kids' art fair, and classroom musical performances.

We believe the role of the school, parents and community is to create a safe and supportive environment for all students to learn and thrive. There is open communication with parents to focus on areas of strength as well as improvement. Local churches, civic groups, and community members provide support through donations and through time spent mentoring students. Volunteers engage in tasks such as assisting teachers and tutoring students. Parents and the community are involved in Veterans Day, field day, and the storytelling festival. Teachers, school counselors, and parents collaborate in ways to foster healthy student growth and development through character lessons and activities as well as parent/family workshops. Students are recognized for their hard work and good character through the monthly Good Character Café and through recognition on the morning news show and annual awards program.

The mission of the Clover Schools is to prepare each child for a successful and productive future. At Crowders Creek Elementary School, we endeavor to be a learning community that promotes successful achievement for all students.
